

Music

Department Chair: Cheryl Nichols, B.M.E.

The music area serves students on several levels by offering opportunities for performance and for study leading to a fuller appreciation of the meanings and systems of expression which musical works involve. A vital part of the Performing Arts Program at Stephens, the music area enriches the academic and residential environment of the campus.

Music is an essential part of the B.F.A. in Theatre Arts. The music curriculum is designed to develop a foundation of intellectual, physical and artistic skills that are a necessary basis for students interested in emphasizing musical theatre. Solo and ensemble performance opportunities are available in formal and informal recitals, workshops and stage productions.
