

President's Message

Welcome to Stephens College! We are pleased that you have chosen to continue your education at Stephens. We are the second-oldest women's college in the United States, and offer a variety of programs (degree and certificate; online and on campus) to undergraduate and graduate students from across the country.

Stephens College has a strong commitment to instilling in its students a passion for lifelong learning, a passion for engaging with new knowledge and ideas. We uphold a values-driven living and learning environment that contributes to each student's success. We provide resources inside and outside the classroom dedicated to building your skills, knowledge and confidence. And we foster a strong spirit of community focused on supporting you throughout your time at Stephens and even afterward, when you become a part of our national alumnae network.

In the meantime, I encourage you to make the most of your Stephens experience. Seek out new opportunities to challenge yourself and be open to the new possibilities that await you. We are glad to have you with us.

Warmly,

Dr. Dianne M. Lynch
President, Stephens College
