Other Important Info:

To determine the amount of financial aid you are eligible to receive, you must first file the Free Application for Federal Student Aid (FAFSA) as soon as possible after January 1 at www.fafsa.gov. **The Stephens College FAFSA Code is 002512.** Although you don't have to be accepted at Stephens College before applying for financial aid, you do have to be admitted to Stephens before any financial aid can be awarded. You will be required to file a FAFSA each year you are a student at Stephens in order to reapply for financial aid. Even if you are certain you won't qualify for need-based assistance, it's a good idea to file the FAFSA so that you may be able to qualify for aid if your financial situation changes.

If you have further questions on federal financial aid and your eligibility, please contact our Office of Financial Aid at (573) 876-7207 or finaid@stephens.edu.
