

2015-2016 MACC-Stephens Health Science Transfer Guide

Term	MACC Course	Credits	Stephens College Course Equivalent
First Semester (17 hrs.)	LAL101 Composition I	3	English Composition I
	CIT Course	3	Elective
	Math: MTH140 College Algebra suggested	3	Quantitative General Education Requirement
	BIO205 Human Anatomy	4	BIO 343: Human Anatomy
	SKL101 College Orientation	1	Elective
	SPK101 Public Speaking	3	Elective: SCM 250: Fundamentals of Speech
Second Semester (16 hrs.)	HSC171 Medical Terminology	3	HIA 255: Medical Terminology
	BIO209 Physiology	3	BIO 349: Human Physiology
	LAL102 Composition II	3	ENG 209: Research Writing
	Social and Behavioral Science: PSC 105 Functions & Policies of American Government or PSC 103 American Government suggested	3	Sophomore Seminar Requirement
	HST105 American History to 1865	3	History General Education Requirement
Third Semester (16 hrs.)	BIO101 Biology	4	Bio 181: Principle of Biology and Science General Education Requirement
	Humanities Requirement: Any Non-applied Art	3	Art General Education Requirement
	Social and Behavioral Science: PSY 215 Health Psychology and Bio-Feedback suggested	3	BHS 275: Health Psychology
	MTH160 Elementary Statistics	3	MAT 207: Statistics
	Social and Behavioral Science Elective: PSY 101 General Psychology suggested	3	PSY 111: Introduction to Psychology
Fourth Semester (15 hrs.)	BIO206 Microbiology	4	Elective
	Humanities: Any Cultural Diversity Course	3	Intercultural General Education Requirement
	Literature: Any	3	Literature General Education Requirement
	PHY121 General Chemistry	5	CHM 111: General College Chemistry I
Total Hours for Degree 64			

Remaining Stephens College Courses (56 hrs.)

Remaining General Education Requirements (3 hrs.)

GLS 350: Ethics

Remaining Health Science Requirements (29-32 hrs.)

BHS 117: Careers in Health and Helping Professions (1 hr.)

BHS 128: Personal Health and Wellness: Women's Perspective (3 hrs.)

BHS 220: Principles of Public Health (3 hrs.)

BHS 240: Seminar in Health Sciences (3 hrs.)

BHS 330: Research Methods and Health Communication (3 hrs.) – Writing Intensive

BHS 335: Health Care in the United States (3 hrs.)

BHS 350: Principles of Health Education (3 hrs.)

BHS 400: Ethics in Clinical Practice (3 hrs.)

BHS 425: Women and Healthcare Leadership (3 hrs.)

BHS 489: Health Sciences Capstone/Internship (3-6 hrs.)

INT 210: Pre-Internship (1 hr.)

Suggested elective courses* (24 hrs.)

BHS 210: Stress Theory, Research and Management Application (3 hrs.)

BHS 225: Introduction to Nutrition (3 hrs.)

BIO 182: Principles of Biology II (4 hrs.)

BIO 201: Human Movement Science (3 hrs.)

BUS 225: Principles of Management (3 hrs.)

BUS 230: Foundations of Financial Management (3 hrs.)

BUS 250: Principles of Marketing (3 hrs.)

BUS 305: Human Resource Management (3 hrs.)

BUS 321: Sales and Negotiation (3 hrs.)

BUS 364: Organizational Behavior (3 hrs.)

BUS 386: Global Markets (3 hrs.)

CHM 112: General College Chemistry II (4 hrs.)

EDU 314: Adolescent Development (3 hrs.)

PHY 211: College Physics I (4 hrs.)

PHY 212: College Physics II (4 hrs.)

PSY 271: Human Sexuality (3 hrs.)

PSY 320: Abnormal Psychology (3 hrs.)

PSY 430: Physiological Psychology (3 hrs.)

Additional Information For Health Science At Stephens College*:

The Bachelor of Science in Health Science major requires completion of general education requirements and of required courses, plus major electives in the areas of business, education, life sciences (BIO, CHM, HIA, PHY), and psychology. A grade of C or better must be earned in required Life Science courses (BIO, CHM, PHY) to graduate. All pre-professional studies (pre-med, pre-vet, pre-dental, etc.) are strongly advised to complete the chemistry sequence through organic chemistry (CHM 342), plus BIO 182 and PHY 211/212, even though they are not requirements of the major. Students should select a math course that is consistent with their career goals. In addition to the departmental requirements listed above, students must also complete coursework for Stephens College residency and BA/BS/BFA degree requirements of a total 120 college-level semester hours and a cumulative GPA of 2.0 or higher. Students should meet with a MACC or Stephens College academic adviser to develop a transfer plan that will prepare them for meeting their individual career goals. All baccalaureate degrees require completion of at least 36 semester hours of advanced-level courses (300 level or above).

Questions about this transfer guide should be directed to:
