

STEPHENS COLLEGE-OKLAHOMA CITY COMMUNITY COLLEGE TRANSFER GUIDE

Stephens College has always been student-focused and that includes working one-on-one with transfer students to ensure a seamless transition into our programs. We work closely with transfer students to evaluate credits, making sure students are able to transfer the maximum credit hours. Transfer students are welcome at orientation events and encouraged to take advantage of all of the opportunities Stephens has to offer. The following plan is designed to ensure that Oklahoma City Community College students can transfer to Stephens College having met most lower-division General Education Requirements.
