Assistant Professor Fashion, Fashion Design and Product Development, Non-Tenure Track
School of Design

By recognizing and developing individual potential, the fashion program educates and challenges students to negotiate the dynamic, global marketplace as distinctive, creative, ethical professionals. We are committed to providing a respectful, supportive, collaborative community that cultivates intellectual agility, marketable creativity, technical excellence and a passion for a life of learning and leading. The Fashion Program is a member school in the Council of Fashion Designers of America Education Initiatives and is recognized both nationally and internationally as a fashion school of high caliber.

Type: 9-month faculty position,
Beginning August 16, 2016

Responsibilities:
• Teach and develop undergraduate courses, lecture and studio
• Advising undergraduate students in the fashion program
• Participate in faculty governance at the program, school and college levels
• Continued pursuit of professional development and scholarship
• Working closely with faculty and the dean of the School of Design, the successful candidate will have the ability to shape the on-going development of the fashion curriculum across the four fashion program degrees
• Teaching responsibilities include introductory and advanced courses within the fashion program.
• Ability to nurture individual student’s design abilities and a strong commitment to design education

Required qualifications:
• MFA with at least one degree in fashion, apparel or closely aligned degree; other appropriate Master’s degree plus one degree in design and related achievement and experience; or PhD, with at least one degree in fashion or apparel
• A minimum of 5 years of demonstrated executive or mid-level experience in the fashion industry within the areas of fashion product development
• Evidence of ability to manage and coach groups toward mastery of the skills needed to succeed in the global fashion marketplace
• Demonstrated accomplishments in developing connections with industry to provide opportunities for student and departmental projects/outreach
• Strong skill base in both written and visual communications that come from an informed fashion perspective
• Expertise in at least three of the following areas: apparel design process management; product development; draping and pattermaking; fitting; bespoke or better sewing skills; digital or 3D printing for fashion design; technologies for fashion design; fashion promotion and events; or sustainable and global issues within fashion.

Preferred qualifications:
• Prior experience as fashion designer or technical designer, including patternmaker
• Experience with Adobe Creative Suite, Gerber Patternmaking, Kaledo, or other apparel software
• Record of innovative teaching in higher education
• Excellent interpersonal and organizational skills, including working with groups, meeting deadlines, effective communication and motivation skills
• Experience in program and curricular development and assessment

Reports to: Dean, School of Design
