Adjunct Faculty - Pharmacology  
Physician Assistant Program, School of Health Sciences

Stephens College is in the development of a new PA program scheduled to matriculate its inaugural class in fall of 2016. Stephens College has applied for Accreditation - Provisional from the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA).

Stephens anticipates matriculating its first class in August 2016, pending achieving Accreditation – Provisional status at the March 2016 ARC-PA meeting. Accreditation - Provisional is an accreditation status for a new PA program that, at the time of its initial accreditation review, demonstrated its preparedness to initiate a program in accordance with the accreditation Standards.

The 27-month curriculum culminates in the conferral of a Master of Physician Assistant Studies. The clinical phase will be comprised of eight six-week rotations.

Responsibilities:
1. Teach courses in Pharmacology,
2. Evaluate student work,
3. Participate in program-level and College-wide affairs when appropriate, and
4. Contribute to the PA program’s curriculum development.

Position Requirements:
• Ph.D. in pharmacology or a closely related field, or an M.D., or a D.O.
• All educational degrees must be from a regionally accredited institution.
• Candidates must possess excellent organizational and communication skills (verbal and written).
• Teaching experience is required, with special consideration given to applicants with experience teaching in clinical programs or health science courses.

To apply:
Complete the Stephens College online application form. Submit, via email attachment: a current curriculum vitae, a list of five references with contact information and a cover letter that describes how the applicant’s qualifications and experience align with the job description to: humanresources@stephens.edu.

Review of applicants will begin immediately and will continue until the position is filled.

Official transcripts & a criminal background check will be required before a contract will be issued.

Equal Opportunity Employer. A diverse community on campus is valued, so women, minorities, veterans, and individuals with disabilities are encouraged to apply.

Smoke-free campus.
