

Stephens College Health Care Plan

Who We Are

Boone Medical Group-Central provides medical care for Stephens College students. Through this partnership, we offer our students care such as treatment for minor illness and injuries and flu and allergy shots, at no cost when seen at Boone Medical Group-Central. Preventative care such as yearly physicals and well-women exams are available through your health insurance or at a 40% discount for self-pay.

Eligibility

Stephens full-time undergraduate students are eligible for these services. You must be enrolled in a minimum of 12 credits at the time services are being requested. Planning is underway to expand services to include full-time graduate students.

Location

Located at 1605 E. Broadway in Broadway Medical Plaza, Suite 110, the clinic is just a short walk from our campus. Boone Medical Group-Central is the perfect choice for Stephens College because of the convenient location, the affiliation with the highly respected Boone Hospital Center and the flexibility offered by their four care providers.
