DREAM UP

SUMMER

SHOW YOUR STYLE. FASHION YOUR FUTURE.
Next-generation fashion designers: you belong here!
Learn how to ignite your creativity and turn your amazing, bold, totally new ideas into fashions you can share with the world.

FASHION IMMERSION CAMP

July 16-20

9 a.m.-4 p.m. • Co-Ed • Grades 6-9 • \$225

You'll learn how to hunt for design inspiration and trends; create a fashion process journal; perfect simple sketches; and turn those sketches into wearable pieces of art and design. You'll create wearable Do-It-Yourself (DIY) projects, and participate in a mini-design mannequin challenge and a runway show, too.

Access to college equipment and labs, fashion students and professional faculty mentors set this camp apart. And best of all, you'll actually get to sew your designs. (No experience required.)

Immerse yourself in the creative experience! Then, show off your finished product at our runway show for family and friends on the last day of camp.

Pick your palette. Pick your passion. Pursue your dream.
