(573) 876-7101, Ext. 4101 | career@stephens.edu | 8 a.m.-4 p.m., M-F
As you begin your second year at Stephens College, your career interests and path may become clearer. Continue gaining experience through part-time jobs, internships and on-campus opportunities. Seek leadership roles in clubs and organizations. Build your professional documents as you consider your next professional steps.

Complete all of the items below

Select at least two of the items below

FALL
- Cover letter writing workshop
- Etiquette meal

SPRING
- Interview skills session
- Mock interview

Keep on track with your professional development by attending events and completing items like:

- Update your HireStephensStars profile, create a new job search agent and upload a new résumé.
- Research job descriptions and organizations where you would like to work.
- Meet professionals at campus and community events.
- Practice networking skills like starting conversations, shaking hands and making eye contact.
- Develop an “elevator pitch” to use when introducing yourself.
- Create personal business cards for yourself — VistaPrint and OfficeMax offer deals for students.
- Update your LinkedIn profile with new professional experiences. Connect with your peers, faculty and professionals in your industry.
- Search for summer internships or opportunities where you can gain industry-related experience.
  - Apply for summer opportunities January-April.
- Job shadow with a professional in your desired industry for a day.
- Conduct an informational interview with someone you’re interested in meeting.
- Practice interviews in multiple formats: phone, in-person and video.
- Practice having professional conversations on the phone. Set up an appropriate voicemail message.
- Schedule a résumé or cover letter review with CCPD.
- Build a personal website or portfolio on a free hosting site.
- Research graduate programs and schools.
- Attend a career fair and speak with employers or graduate schools.
By your third year at Stephens College, you may have specific career goals and interests based on the experience you’ve already gained. Continue gaining related experiences and researching future career and academic opportunities. Strive to meet new people and build relationships with industry professionals.

**Complete All of the Items Below**

**FALL**
- Résumé II session
- LinkedIn: building your profile workshop

**SPRING**
- Meet with a CCPD career adviser

**EITHER SEMESTER** (Must be completed by May to receive credit):
- Attend a career fair or networking event

Specific dates and times for the events above are listed on Canvas and HireStephensStars.

**Select at Least Two of the Items Below**

- Grad school info session
- Etiquette meal
- Technology skills training
- Effective email communication training
- CCPD listening lab
- Other campus event

Keep on track with your professional development by attending events and completing items like:

- Update your résumé and professional documents with any new experiences or skills.
- Explore new professional opportunities with organizations on campus and in Columbia.
- Log in to HireStephensStars to update your profile, create a new job search agent, view resources or upload an updated résumé.
- Talk to people already in your network (faculty, advisers, family, friends, alumnae) about career opportunities.
- Continue meeting people and building your professional network.
- Research common interview questions for your industry. Practice answering them by giving specific examples related to your experience.
- Interact with your connections on LinkedIn. Comment and like content that is shared by people you want to know better.
- If considering grad school, review entrance requirements, application deadlines and scholarship opportunities.
- Search for summer internships or educational opportunities to gain industry-related experience. Apply for summer opportunities January-April.
- Attend a career fair to meet with employers or graduate schools.
- Listen to a podcast related to your industry or a professional topic that interests you.
- Explore fellowship opportunities.
- Consider who you will ask to be a reference or write a letter of recommendation.
Your final year at Stephens College will include many decisions about your future after graduation. The final components of the College-to-Career program will assist in that process. You’re almost there!

**COMPLETE ALL OF THE ITEMS BELOW**

### FALL
- Human Resources: taxes, benefits and what to expect in your career
- Budgeting 101: the game of life

### SPRING
